

Steps out

STRANGE,  
WOUNDED CORPSES  
GENERALLY ONLY RISE  
DURING THE NIGHT.  
HOW COULD THEY ALSO  
APPEAR DURING THE DAY?

DON'T TELL ME IT'S KUSON GINGER...

I CAN'T MANAGE  
THAT MUCH.  
MY TIME IS LIMITED,  
SO I MUST QUICKLY  
RESOLVE THIS.

THIS MAN EXHIBITS  
SURE ENOUGH LIVES  
UP TO HIS REPUTATION,  
NO WONDER THE DEMON WITCH  
WAS TOLD ME TO BE  
DOUBLY CAREFUL.

ALTHOUGH, UPON  
CLOSE EXAMINATION  
HE'S NOT MUCH MORE  
THAN THAT.

HEARD, MAY BE  
I'VE INVOLVED THEM AND  
SECURED SOMETHING KNOWN.  
THEN I CAN RETURN TO  
RECEIVE MY REWARD.

Command!

IT WON'T CUT!

Grasp

THE CHANGE HAS COME  
WATCH MY EYES  
SURE-KILL SKILL

咻!

I REWARD YOU  
WITH THIS IN  
XIAOJIE'S PLACE!

WOW, THIS  
WAS A  
REWARD!

OH,  
I'VE BEEN  
REWARDED!

This time I recommend that you read <Taqi>, a great work, everyone give lots of support okay~

This time there's no relatively new picture, this night scenery was drawn by me when I was in university and had just learned how to draw with a tablet. I took it out to remember a bit, hopes that everyone likes it~

Regarding the horse that was killed where the carriage was left unscathed, a reader was very attentive and discovered this shortcoming. I feel very grateful to him; this point I did not consider properly as I was drawing. I plan to revise it and perfect my work.

Again I thank you for your suggestion.

I hope the readers that like me, will send their likes, monthly ballots, reviews, full scores, and scores flying in my direction~
